## Education at a Glance

2022

2021

2020

2019

2018

OECD's annual Education at a Glance looks at who participates in education, what is spent on it, how education systems operate and the results achieved. The latter includes indicators on a wide range of outcomes, from comparisons of students' performance in key subject areas to the impact of education on earnings and on adults' chances of employment. This book includes StatLinks, urls linking to Excel® spreadsheets containing the background data. [^ Less](#)
